# Our Certifications

# MATERIALS WE OFFER

## GENUINE LEATHER COLLECTION (GL)

*Natural. Premium. Timeless*

Our genuine leather products are hand crafted using real leather with natural grain and texture. Each piece has a unique character and develops a beautiful patina over time.

- Premium vegetable-tanned leather with a rich natural texture
- High perceived value, ideal for gifting and executive segments
- Durable, perfect for premium desk and home accessories
- Perfect authentic craftsmanship and a luxury feel

# RECYCLED LEATHER COLLECTION (RL)

*Eco-Friendly. Durable. Cost-Effective.*

Our recycled leather products are made from bonded leather fibre sand natural-upcycled contents. This collection provides the feel and equal quality of genuine leather at an affordable price, perfect for retail and gifting.

- Sustainable material made from recycled leather fibres
- Real leather feel & appearance bins, holders, and organizers
- Consistent thickness & clean forms, perfect for large and retail programs
- Supports responsible sourcing and sustainability goals
- GRS (Global Recycled Standard) certified material options available
- Custom colors, sizes & sets

# VEGAN LEATHER COLLECTION (VL)

*Eco-Friendly. Durable. Cost-Effective.*

Our vegan leather products are made using high-quality PU and advanced bio-based materials. This collection offers the premium look and feel of genuine leather without using animal skin. Ideal for modern, responsible retail programs.

- Animal-free & cruelty-free material
- Consistent colour & finish for a clean, modern look
- Easy to clean & maintain, ideal lifestyle and gifting
- Perfect for animal-free material options seekers
- REACH-certified for safety and compliance
- Eco-friendly material options available
- PU-based and bio-based (2% PU content) vegan leather.
